To whom it may concern

Dear Sir/Madam,

We, hereby, confirm that the substances mentioned in the Candidate List of Very High Concern of the REACH statement (updated 20/06/2016), are not used for more than 0.1% by weight in the composition of the preparations/articles that we supply.

Consequently we don't routinely analyze these substances.

For as far as we can judge and with the information at hand, we don't foresee that any of our products will disappear because of Reach.

Should this situation change, we will inform our customers.

Our best regards,

L. Leo Pae
