

Antwerp, 17/10/2012

Dear Sir/Madam,

We hereby confirm that the substances mentioned in the Candidate List of Very High Concern of the REACH statement, updated on the 18<sup>th</sup> of June 2012, as presented in the following link: [http://echa.europa.eu/chem\\_data/authorisation\\_process/candidate\\_list\\_table\\_en.asp](http://echa.europa.eu/chem_data/authorisation_process/candidate_list_table_en.asp), are not used for more than 0.1% by weight in the composition of the preparations/articles that we supply to our customers.

Consequently we do not routinely analyze for these substances.

We will be paying attention to any update on this list, and, if any of the referred substances happens to be a part of the composition of our products, we will inform our customers as soon as this situation occurs.

Our best regards,

L. Hoppe  
Director
